Buick Lucerne Radiator Replacement

A video tutorial on how to replace a radiator on a 2006 Buick Lucerne.

Written By: eCuration

INTRODUCTION

If your vehicle is overheating and or leaking coolant, it may be time to replace the radiator.

This video guide on how to do the replacement on your Buick Lucerne may seem long, but it is a complete walkthrough with great commentary.

Could work on other model years.

Follow this video tutorial by YouTuber Astral Auto Repairs to complete the replacement yourself.
